PROJECT OR INITIATIVE	TIMEFRAME OR DATE	STAFF INVOLVED	MEASUREABLE/QUANTIFIABLE GOALS

INSTRUCTIONS:

1. If applicable, use the same Objective Name and Description as indicated in your Strategic or Long Term Plan. Include indicators of success in measurable/quantifiable terms.
2. List all specific activities that will be pursued during the year to work towards reaching the objective outcome. List goals in specific measurable terms such as number of presentations, feet of stream protected or acres of cover crops planted.
3. These activities should be entered into SWIMs so progress reports can be generated in SWIMs to help the SWCD monitor its progress on these items.
