SBA disaster loan deadline in Ohio is approaching

ATLANTA - The U.S. Small Business Administration (SBA) is reminding small businesses, small agricultural cooperatives, small aquaculture businesses and private nonprofit organizations located in **Ohio** that **May 18, 2015** is the deadline to apply for a working capital disaster loan as a result of freeze from Jan. 2, 2014 through April 17, 2014.

The SBA's disaster declaration includes the following counties: Ashtabula, Geauga, Jackson, Lake, Lorain, Portage, Summit; and the contiguous counties of Ashland, Cuyahoga, Erie, Gallia, Huron, Lawrence, Mahoning, Medina, Pike, Ross, Scioto, Stark, Trumbull, Vinton and Wayne in **Ohio**.

"When the Secretary of Agriculture issues a disaster declaration to help farmers recover from damages and losses to crops, the Small Business Administration issues a declaration to eligible entities affected by the same disaster," said Frank Skaggs, director of SBA's Field Operations Center East in Atlanta.

Under this declaration, the SBA's Economic Injury Disaster Loan program is available to eligible farm-related and nonfarm-related entities that suffered financial losses as a direct result of this disaster. With the exception of aquaculture enterprises, SBA cannot provide disaster loans to agricultural producers, farmers or ranchers.

The loan amount can be up to \$2 million with interest rates of 2.625 percent for private nonprofit organizations and 4 percent for small businesses, with terms up to 30 years. The SBA determines eligibility based on the size of the applicant, type of activity and its financial resources. Loan amounts and terms are set by the SBA and are based on each applicant's financial condition. These working capital loans may be used to pay fixed debts, payroll, accounts payable, and other bills that could have been paid had the disaster not occurred. The loans are not intended to replace lost sales or profits.

Applicants may apply online using the Electronic Loan Application (ELA) via SBA's secure website at <https://disasterloan.sba.gov/ela>.

Disaster loan information and application forms may also be obtained by calling the SBA's Customer Service Center at 800-659-2955 (800-877-8339 for the deaf and hard-of-hearing) or by sending an email to disastercustomerservice@sba.gov. Loan applications can be downloaded from www.sba.gov/disaster. Completed applications should be mailed to: U.S. Small Business Administration, Processing and Disbursement Center, 14925 Kingsport Road, Fort Worth, TX 76155.
