RE: Recall Announcement (ODA/ODH) 2016-153

**National Steak and Poultry Recalls Food Service Ready-To-Eat Chicken That May Be Undercooked**

WASHINGTON, Nov. 23, 2016 – National Steak and Poultry, an Owasso, Okla., establishment, is recalling approximately 17,439 pounds of ready-to-eat chicken products due to adulteration because of possible undercooking, resulting in the potential survival of bacterial pathogens in the products, the U.S. Department of Agriculture’s Food Safety and Inspection Service (FSIS) announced today.

The ready-to-eat chicken products were produced Oct. 4, 2016. The products were packaged on Oct. 4 and Oct. 5, 2016. The following products are subject to recall:

- 5 lb. bags packed 2 bags per case; product labeled “Distributed by National Steak and Poultry, Owasso, OK Fully Cooked, Diced, Grilled Boneless Chicken Breast Meat with Rib Meat” with Lot code 100416, and Case Code: 70020.
- 5 lb. bags packed 2 bags per case; product labeled “Hormel Natural Choice 100% Natural No Preservatives Fully Cooked Roasted Chicken Breast Strips with Rib Meat Natural Smoke Flavor Added” with Lot code 100416, and Case code 702113.

The cases containing the products subject to recall bear establishment number “P-6010T” inside the USDA mark of inspection. These items were shipped to food service locations nationwide and should not be in consumers’ possession. No other Hormel product is impacted.

The problem was discovered on Nov. 14, 2016, when a food service customer complained to the establishment that product appeared to be undercooked.

There have been no confirmed reports of adverse health effects or illnesses due to consumption of these products. Anyone concerned about a health effect should contact a healthcare provider.

FSIS routinely conducts recall effectiveness checks to verify recalling firms notify their customers of the recall and that steps are taken to make certain that the product is no longer available to consumers. When available, the retail distribution list(s) will be posted on the FSIS website at [www.fsis.usda.gov/recalls](http://www.fsis.usda.gov/recalls).

Consumers or media with questions about the recall can contact Mike Wilson, President, at (918) 274-8787.

Consumers with food safety questions can "Ask Karen," the FSIS virtual representative available 24 hours a day at AskKaren.gov or via smartphone at m.askkaren.gov. The toll-free USDA Meat and Poultry Hotline 1-888-MPHotline (1-888-674-6854) is available in English and Spanish and can be reached from 10 a.m. to 4 p.m. (Eastern Time) Monday through Friday.
