

2018 SPECIALTY CROP BLOCK GRANT  
QUARTERLY REPORT

Reporting Period:  to

Today's Date:

Project #: AGR-SCG-18-

Project Title:

**Activities performed:** List your accomplishments for this period of performance and indicate how these accomplishments assist in the fulfillment of your project's objective(s), outcome(s) and/or indicator(s).. (limit 2000 characters-including spaces)

**Problems and Delays:** Note unexpected delays, impediments and challenges that have been confronted in order to complete the goals. Mention the actions that were taken in order to address these delays, impediments and challenges. Review measurable outcomes to determine if targets are realistic and attainable. Also, please note any changes that need to be made to the timeline, expected measurable outcomes and/or budget. (limit 1000 characters-including spaces)

**Future project plans:** Briefly summarize activities performed, targets and/or performance goals to be achieved during the next reporting period. Describe any changes that are anticipated. (limit 1000 characters-including spaces)

**Funding Expending to date:** Provide information regarding the amount of funds expended to date. If the project gained income as a result of planned activities, provide the amount of this supplemental funding and how it will be reinvested into the project. Be sure to attach copies of invoices, cancelled checks, etc. (limit 1000 characters-including spaces)
