

RULE NUMBER	DESCRIPTION OF REGULATORY RESTRICTION	STATUTE UNDER WHICH THE REGULATORY RESTRICTION WAS ADOPTED	IS THE REGULATORY RESTRICTION EXPRESSLY OR SPECIFICALLY REQUIRED BY STATE OR FEDERAL LAW?	IS A LAW CHANGE REQUIRED IN ORDER TO REMOVE THE RESTRICTION?
OAC 901:6-2-01(A)	This rule shall apply to types of devices and/or equipment as covered in national institute of standards and technology handbook 44, for which formal national type evaluation program evaluation criteria exist and to new technologies or device applications where the development of criteria is deemed necessary.	ORC 1327.50(A)	Yes, state law	Yes, state law
OAC 901:6-2-01(A)	This rule shall also apply to a device, when used in commerce, designed to meet unique demands for a specific installation and a specific design.	ORC 1327.50(A)	Yes, state law	Yes, state law
OAC 901:6-2-01(C)	The director shall require any weighing or measuring instrument or device to be traceable to a certificate of conformance prior to use for commercial or law enforcement purposes.	ORC 1327.50(A)	Yes, state law	Yes, state law
OAC 901:6-2-01(D)(1)	No person shall sell for use in commerce a device unless the device is traceable to a certificate of conformance or the device is exempted by paragraph (E) of this rule.	ORC 1327.50(S) & ORC 1327.49	Yes, state law	Yes, state law
OAC 901:6-2-01(D)(2)	No person shall use in commerce a device unless the device is traceable to a certificate of conformance or the device is exempted by paragraph (E) of this rule.	ORC 1327.50(S) & ORC 1327.49	Yes, state law	Yes, state law
OAC 901:6-2-01(D)(3)	Commercial weighing or measuring devices installed and/or put in service shall be traceable to a certificate of conformance when the device is one of the following. . .	ORC 1327.50(S) & ORC 1327.49	Yes, state law	Yes, state law
OAC 901:6-2-01(D)(4)	Axle-load weighers and wheel-load weigher scales used for law enforcement put in service shall be traceable to a certificate of conformance.	ORC 1327.50(S) & ORC 1327.49	Yes, state law	Yes, state law
OAC 901:6-2-01(D)(5)	Existing devices modified to the extent that the design is metrologically changed (for example, a fully mechanical to fully electronic scale) shall be traceable to a certificate of conformance.	ORC 1327.50(S) & ORC 1327.49	Yes, state law	Yes, state law
OAC 901:6-2-01(D)(9)	The manufacturer who copies the design of a device that is traceable to a certificate of conformance, but which is made by another company must obtain a separate certificate of conformance for the device.	ORC 1327.50(S) & ORC 1327.49	Yes, state law	Yes, state law
OAC:6-2-01(D)(9)	The certificate of conformance for the original device shall not apply to the copy.	ORC 1327.50(S) & ORC 1327.49	Yes, state law	Yes, state law
OAC 901:6-2-01(D)(10)	If a person buys a load cell(s) and an indicating element, which are traceable to certificates of conformance, and then manufactures a device from the parts, that person shall obtain a certificate of conformance for the device.	ORC 1327.50(S) & ORC 1327.49	Yes, state law	Yes, state law
OAC 901:6-2-01(D)(11)	Loaner devices and main elements placed into service in a location shall be traceable to a certificate of conformance.	ORC 1327.50(S) & ORC 1327.49	Yes, state law	Yes, state law
OAC 901:6-2-01(E)(1)	A device in service in a fixed location prior to any certificate of conformance requirement shall not be required to be traceable to a certificate of conformance.	ORC 1327.50(S) & ORC 1327.49	Yes, state law	Yes, state law
OAC 901:6-2-01(E)(2)	A device in service prior to any certificate of conformance requirement, removed from service by the owner or by the state, county, or city weights and measures official, and then returned to service at a later date shall be required to meet applicable specifications, tolerances, and other technical requirements of national institute of standards and technology handbook 44,...	ORC 1327.50(S) & ORC 1327.49	Yes, state law	Yes, state law
OAC 901:6-2-01(E)(2)	but shall not be required to be traceable to a certificate of conformance.	ORC 1327.50(S) & ORC 1327.49	Yes, state law	Yes, state law
OAC 901:6-2-01(E)(3)	Provided there is no charge of ownership and provided the device meets the applicable specifications, tolerances, and other technical requirements of national institute of standards and technology handbook 44, but shall not be required to be traceable to a certificate of conformance.	ORC 1327.50(S) & ORC 1327.49	Yes, state law	Yes, state law

OAC 901:6-2-01(E)(4)	A device in service that is being repaired but parts, elements or instruments traceable to a certificate of conformance are not available, shall be required to meet applicable specifications, tolerances, and other technical requirements of national institute of standards and technology handbook 44,	ORC 1327.50(S) & ORC 1327.49	Yes, state law	Yes, state law
OAC 901:6-2-01(E)(4)	but shall not be required to be traceable to a certificate of conformance.	ORC 1327.50(S) & ORC 1327.49	Yes, state law	Yes, state law
OAC 901:6-2-01(E)(5)	Indicators and load cells in all one-of-a-kind scale installations must have a certificate of conformance as evidence that the system meets the influence factor requirements of handbook 44.	ORC 1327.50(S) & ORC 1327.49	Yes, state law	Yes, state law
OAC 901:6-3-01	The rules in Chapter 901:6-3 of the Administrative Code shall apply to packages, but shall apply to	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-01(B)	Shipping containers or wrapping used solely for the transportation of any commodities in bulk or in quantity to manufacturers, packers, or processors, or to wholesale or retail distributors, but in no event shall this exclusion apply to packages of consumer or nonconsumer commodities, as defined herein	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-03(A)	A separate declaration of identity on a consumer package shall appear on the principal display panel, and shall not be either misleading or deceptive, or tend to mislead or deceive.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-03(A)	The identity shall be in terms of. . .	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-03(B)	A declaration of the identity on a consumer package shall appear generally parallel to the base on which the package rests as it is designed to be displayed.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-04	A declaration of identity on a nonconsumer package shall appear on the outside of a package and shall not be either misleading or deceptive, or tend to mislead or deceive.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-04	The identity shall be in terms of. . .	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-05(A)	Any package kept, offered, or exposed for sale, or sold at any place other than on the premises where the package is packed, shall specify conspicuously on the label of the package the name and address of the manufacturer, packer, or distributor.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-05(A)	The name shall be the actual corporate name, or, when not incorporated, the name under which the business is conducted.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-05(A)	The address shall include the street address, city, state or country if outside the United States, and zip code or the mailing code, if any, used in countries other than the United States.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-05(B)	Where the commodity is not manufactured by the person whose name appears on the label, the name shall be qualified by a phrase that reveals the connection such person has with such commodity	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(B)	Where this rule requires that the quantity declaration be in terms of the largest whole unit, the declaration shall, with respect to a particular package, be in terms of the largest whole unit of weight or measure, with any remainder expressed :	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(C)	A declaration of net quantity of the commodity in the package, exclusive of wrappers and any other material packed with such commodity [except as noted in rule 901:6-3-10 of the Administrative Code, "aerosols and similar pressurized containers"], shall appear on the principal display panel of a consumer package	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(C)	and, unless otherwise specified in this chapter , shall be in terms of the largest whole unit.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(D)	However, the quantity of contents shall always declare the net quantity of contents, even when such terms are not used.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(F)	The declaration of the quantity of a particular commodity shall be expressed in terms of	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(G)(1)	A declaration of quantity in terms of weight shall be combined with appropriate declarations of the measure, count, and size of the individual units unless a declaration of weight alone is fully informative.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority

OAC 901:6-3-06(G)(2)	A declaration of quantity in terms of measure shall be combined with appropriate declarations of the weight, count, and size of the individual units unless a declaration of measure alone is fully informative.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(G)(3)	A declaration of quantity in terms of count shall be combined with appropriate declarations of the weight, measure, and size of the individual units unless a declaration of count alone is fully informative.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(H)(1)	In units of mass shall be in terms of the kilogram, gram, or milligram; and shall express the volume at twenty degrees Celsius;	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(H)(2)	In units of liquid measure shall be in terms of the liter or milliliter,	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(H)(2)	and shall express the volume at twenty degrees Celsius;	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(H)(2)(a)	Except in the case of petroleum products or distilled spirits, for which the declaration shall express the volume at 15.6 degrees Celsius,	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(H)(2)(b)	Except in the case of a commodity that is normally sold and consumed while frozen, for which the declaration shall express the volume at the frozen temperature,	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(H)(2)(c)	Except in the case of malt beverages or a commodity that must be maintained in the refrigerated state, for which the declaration shall express the volume at four degrees Celsius;	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(H)(3)	In units of linear measure shall be in terms of the meter, centimeter, or millimeter;	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(H)(4)	In units of area measure shall be in terms of the square meter, square decimeter, square centimeter, or square millimeter;	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(H)(5)	In units of volume other than liquid measure, shall be in terms of the liter and milliliter,	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(H)(5)	except that the terms cubic meter and cubic centimeter shall be used only when specifically designated as a method of sale.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(H)(6)	The selected multiple or submultiple prefixes for SI units shall result in numerical values between one and one thousand.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(H)(8)	The declaration of net quantity of contents shall not be expressed in mixed units	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(I)(1)	Periods shall not be used after the symbol.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(I)(1)	Symbols shall always be written in the singular form.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(I)(2)	The "E" mark shall not be considered to be a qualifying word or phrase and may be used as part of the statement of net quantity of contents where warranted.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(I)(2)	When used, the "E" mark shall be at least three millimeters (approximately one-eighth inch) in height.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(J)	Shall only be used for measurements less than 1 mm.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(K)(1)	The declaration of quantity shall be expressed as follows. . .	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(L)(1)	In units of weight shall be in terms of the avoirdupois pound or ounce;	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(L)(2)	In units of liquid measure shall be in terms of the United States gallon of two hundred thirty-one cubic inches or liquid-quart, liquid-pint, or fluid-ounce subdivisions of the gallon,	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(L)(2)	and shall express the volume at sixty-eight degrees Fahrenheit;	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(L)(2)(a)	Except in the case of petroleum products and distilled spirits, for which the declaration shall express the volume at sixty degrees Fahrenheit,	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(L)(2)(b)	Except in the case of a commodity that is normally sold and consumed while frozen, for which the declaration shall express the volume at the frozen temperature;	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(L)(2)(c)	Except in the case of a commodity that must be maintained in the refrigerated state...	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(L)(2)(c)	for which the declaration shall express the volume at forty degrees Fahrenheit;			
OAC 901:6-3-06(L)(2)(d)	Except in the case of malt beverages, for which the declaration shall express the volume at 39.1 degrees Fahrenheit;	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(L)(3)	In units of linear measure shall be in terms of the yard, foot, or inch;	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(L)(4)	In units of area measure, shall be in terms of the square yard, square foot, or square inch;	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority

OAC 901:6-3-06(L)(5)	In units of volume measure, shall be in terms of the cubic yard, cubic foot, or cubic inch;	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(L)(6)	In units of dry measure shall be in terms of the United States bushel of 2, 150.42 cubic inches, or peck, dry-quart and dry-pint subdivisions of the bushel;	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(L)(7)	Any of the following symbols and abbreviations, and none other, shall be employed in the quantity statement on a package of commodity;	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(L)(8)	When the term "ounce" is employed in a declaration of liquid quantity, the declaration shall identify the particular meaning of the term by the use of the term "fluid;" however, such distinction may be omitted when, by association of terms (for example, as in "1 pint 4 ounces"), the proper meaning is obvious.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(L)(8)	Whenever the declaration of quantity is in terms of the dry pint or dry quart, the declaration shall include the word "dry."	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(M)(1)	Prescribed units, inch-pound system. Less than one foot, one square foot, one pound, or one pint: The declaration of quantity shall be expressed in terms of .	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(M)(2)	One foot, one square foot, one pound, one pint, one gallon or more: The declaration of quantity shall be expressed:	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(M)(2)(a)	If one foot or more, expressed in terms of the largest whole unit (a yard or a foot) with any remainder expressed in inches, and fractions if the inch, or in fractions of the foot or yard, except that it shall be optional to include a statement of length in inches.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(M)(2)(d)(i)	.If one pint or more, but less than one gallon, expressed in the largest whole unit (quarts, quarts and pints, or pints, as appropriate) with any remainder expressed in fluid ounces, or fractions of the pint or quart, except that two quarts may be declared as one-half gallon and it shall be optional to include an additional expression of net quantity in fluid ounces;	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(M)(2)(d)(ii)	or If one gallon or more, expressed in terms of the largest whole unit (gallons followed by fractions of a gallon, or by the next smaller whole unit or units, for example, quarts and pints), with any remainder expressed in fluid ounces, or fractions of the pint or quart, except that it shall be optional to include an additional expression of net quantity in fluid ounces.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(N)	For bidimensional commodities (including roll-type commodities) the quantity declaration shall be expressed in both SI and inch-pound units of measurement as follows:	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(N)(2)(a)	For bidimensional commodities having a width of ten centimeters (four inches) or less, the declaration of net quantity shall be expressed in terms of width and length in linear measure, no declaration of area is required;	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(N)(2)(c)	Commodities consisting of usable individual units (for example: paper napkins) require a declaration of unit area but not a declaration of total area of all such units (except roll-type commodities with individual usable units created by perforations);	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(N)(2)(d)	For inch-pound declarations, it shall be optional to include, after the statement of the linear dimensions in the largest whole unit, a parenthetical declaration of the same dimensions in inches;	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(N)(3)(b)	For bidimensional commodities with a width of ten centimeters (four inches) or less, the inch-pound statement of width shall be expressed in terms of linear inches and fractions thereof	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(N)(3)(b)	and length shall be expressed in the largest whole unit (yard or foot) with any remainder in terms of fractions of the yard or foot,	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(N)(3)(b)	except that it shall be optional to express the length in the largest whole unit followed by a statement of length in inches or to express the length in inches followed by a statement of length in the largest whole unit	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(O)(1)	If the commodity is in individually usable units of one or more components or plies, the quantity declaration shall,	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(O)(2)	Roll-type commodities, when perforated so as to identify individual usable units, shall not be deemed to be made up of usable units;	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority

OAC 901:6-3-06(O)(2)	However, such roll-type commodities shall be labeled in terms of	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(P)(1)	Inch-pound: an inch-pound statement of net quantity of contents of any consumer commodity may contain common or decimal fractions. A common fraction shall be in terms of halves, quarters, eighths, sixteenths, or thirty-seconds, except that:	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(P)(2)	Common fractions: a common fraction shall be reduced to its lowest term;	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(P)(3)	Decimal fractions: a decimal fraction shall not be carried out to more than three places.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(Q)	Such supplemental statement of quantity of contents shall not include any terms qualifying a unit of weight, measure, or count that tends to exaggerate the amount of commodity contained in the package	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(R)(1)	In all conversions for the purpose of showing an equivalent SI or inch-pound quantity to a rounded inch-pound or SI quantity, or in calculated values to be declared in the net quantity statement, the number of significant digits retained must be such that accuracy is neither sacrificed nor exaggerated.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(R)(1)	Conversions, the proper use of significant digits, and rounding must be based on the packer's knowledge of the accuracy of the original measurement that is being converted.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(R)(2)	In no case shall rounded net contents declarations overstate a quantity; the packer may round converted values down to avoid overstating the net contents.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(S)	In no case shall any declaration of quantity be qualified by the addition of the words "when packed," "minimum," or "not less than," or any words of similar import,	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(S)	nor shall any unit of weight, measure or count be qualified by any term (such as "jumbo," "giant," "full," or the like) that tends to exaggerate the amount of commodity.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(T)	The average quantity of contents in the packages of a particular lot, shipment, or delivery shall at least equal the declared quantity,	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-06(T)	and no unreasonable shortage in any package shall be permitted, even though overages in other packages in the same shipment, delivery, or lot compensate for such shortage.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-07(B)	A nonconsumer package shall bear on the outside a declaration of the net quantity of contents.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-07(B)	Such declaration shall be in terms of the largest whole unit.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-07(C)	The declaration of the quantity of a particular commodity shall be expressed in terms of liquid measure if the commodity is liquid, or in terms of dry measure if the commodity is dry, or in terms of weight if the commodity is solid, semisolid, viscous or a mixture of solid and liquid, or in terms of numerical count.	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-07(D)(1)	A declaration of quantity: (1) In units of mass, shall be in terms of the kilogram, gram, or milligram;	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-07(D)(2)	In units of liquid measure, shall be in terms of the liter or milliliter	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-07(D)(2)	and shall express the volume at twenty degrees Celsius,	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-07(D)(2)(a)	Except in the case of petroleum products or distilled spirits, for which the declaration shall express the volume at 15.6 degrees Celsius,	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-07(D)(2)(b)	Except in the case of a commodity that is normally sold and consumed while frozen, for which the declaration shall express the volume at the frozen temperature,	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
OAC 901:6-3-07(D)(2)(c)	Except in the case of malt beverages or a commodity that is normally sold in the refrigerated state, for which the declaration shall express the volume at four degrees Celsius;	ORC 1327.50	No, general rulemaking authority	No, general rulemaking authority
