

## No CONSENT FORM

I am denying inspectors access to my apiary locations and will require the Department to obtain a warrant to conduct inspections. I understand all my apiaries must be registered according to the Ohio Revised Code Section 909.02, and because an official inspection is required by RC 909.08 and 909.09, the sale of queens, nucs, or used beekeeping equipment from “No Consent” Apiaries is prohibited.
