

RULE NUMBER	DESCRIPTION OF REGULATORY RESTRICTION	STATUTE UNDER WHICH THE REGULATORY RESTRICTION WAS ADOPTED	IS THE REGULATORY RESTRICTION EXPRESSLY OR SPECIFICALLY REQUIRED BY STATE OR FEDERAL LAW?	IS A LAW CHANGE REQUIRED IN ORDER TO REMOVE THE RESTRICTION?
OAC 901:1-1-02(A)	All captive whitetail deer shall be designated as monitored captive deer, captive deer with status, or captive deer with certified chronic wasting disease status.	ORC 943.24(A), ORC 943.03, and ORC 943.031	Yes, state law	Yes, state law
OAC 901:1-1-02(A)	Owners of captive whitetail deer shall be licensed or registered under one of the following requirements:	ORC 943.24(A), ORC 943.03, and ORC 943.031	Yes, state law	Yes, state law
OAC 901:1-1-02(A)(2)	If a captive deer with status, or captive deer with certified chronic wasting disease status does not otherwise meet the licensing requirements of section 943.03 or 943.031 of the Revised Code and the owner wishes to propagate the animals, a license must be obtained in accordance with section 943.20 of the Revised Code	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-02(A)(3)	Owners of captive whitetail deer shall be licensed or registered under one of the following requirements: (3) Registered annually with the chief, division of animal health.	ORC 943.24(A), ORC 943.03, and ORC 943.031	Yes, state law	Yes, state law
OAC 901:1-1-02(A)(3)	Registration shall be on a form provided by the department and a registration fee of twenty-five dollars shall be paid.	ORC 943.24(A), ORC 943.03, and ORC 943.031	Yes, state law	Yes, state law
OAC 901:1-1-02(B)	Prior to licensure or registration as outlined in paragraph (A) of this rule, owners of captive whitetail deer must obtain a permit from the Ohio department of natural resources pursuant to sections 1533.71 and 1533.721 of the Revised Code.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-02(C)(1)	Thereafter the facility, animals, identification, and records shall be inspected annually by an approved accredited licensed veterinarian or the department.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-02(C)(2)	There must be no indication of chronic wasting disease being present in the herd, as attested to by the owner and his or her approved accredited licensed veterinarian.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-1-03(A)(1)	Facilities must have perimeter fencing of at least eight feet in height, with a variance of four per cent, which prevents ingress and egress of captive whitetail deer.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-03(A)(2)	Any new perimeter fencing for existing facilities for captive whitetail deer herds must be inspected by department personnel.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-03(A)(3)	Owners shall inspect the perimeter fence once a week to ensure that there is not a breach in the fencing which may allow the ingress or egress of any cervid animal.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-03(A)(3)	Owners shall maintain a record of this inspection in accordance with rule 901:1-1-06 of the Administrative Code.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-03(B)(1)	Owners of captive whitetail deer shall, within seven days, submit a movement form to the department when the following occur	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-03(B)(2)	Owners must at a minimum include the following information on the movement form:	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-03(C)	Escapes and breach in fencing. Owners of captive whitetail deer shall immediately report to the department the following:	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-03(C)(1)(a)	Owners shall report to the department	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-03(C)(1)(b)	In no case shall the owner of a captive whitetail deer return the animal to the facility more than twenty-four hours after discovery.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-03(C)(1)(b)	Any animal which has been outside the facility for more than twenty-four hours must be dispatched and submitted for CWD testing.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-03(C)(2)(a)	Owners shall immediately take all necessary actions to prevent the ingress and egress of any cervid animal.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-03(C)(2)(b)	Once the fencing has been repaired, owners shall contact the department to inspect the repaired perimeter fence.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-03(C)	Escapes and breach in fencing. Owners of captive whitetail deer shall immediately report to the department the following:	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1--1-04(A)(1)	All captive whitetail deer, whether natural additions to the herd or moved into the herd, that are three hundred sixty-five days of age or older shall be identified by both of the following:	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-1-04(A)(1)(a)	Official individual identification. Each animal shall be officially identified by one of the following:	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-04(A)(1)(a)(iii)	(iii) A microchip using either 125 kHz, 128 kHz, or 134.2 kHz frequencies which shall be placed at the base of the animal's right ear	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-04(A)(1)(b)	Unique visible identification. Each animal shall have a visible identification tag that is unique within its herd, which can be read from a reasonable distance.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-04(A)(2)	All captive cervids, regardless of age, that are moved onto facilities shall be identified in accordance with paragraphs (A)(1)(a) and (A)(1)(b) of this rule.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-04(A)(3)	Prior to being removed from the premise, official and unique identification must be applied to all captive cervids, regardless of age.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-04(B)	Identification requirements of licensed hunting preserves: (1) All captive cervids moved onto the facility must be officially identified.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-04(B)(1)	All captive cervids moved onto the facility must be officially identified.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-04(B)	Official identification shall be constituted by one of the following:	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-04(B)(1)	All captive cervids moved onto the facility must be officially identified.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-04(B)(1)	Official identification shall be constituted by one of the following:	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-04(B)(2)	Prior to being removed from the premise, official identification must be applied to all captive cervids, regardless of age.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-04(B)(1)(c)	A microchip using either 125 kHz, 128 kHz, or 134.2 kHz frequencies which shall be placed at the base of the animal's right ear	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-05(A)	All captive deer, three hundred sixty-five days of age or older which die from injury, illness, slaughter, hunting, or any other cause, shall:	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-05(B)	Owners of all captive whitetail deer being tested for chronic wasting disease shall, within seven days of the death or discovery of a deceased captive whitetail deer, submit to the Department the following: . . .	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-1-05(B)(4)	Until December 31, 2020, the owner of the captive whitetail deer must submit the animal's official identification device and a piece of fresh tissue that has not been placed in formalin.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-05(B)(4)(a)	If there are multiple official identification devices, only one device must have tissue attached.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-05(B)(4)(b)	All official identification devices must be submitted to the department.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-05(B)(4)(c)	If the animal does not have an official identification device at time of death, one must be issued and accompany the sample.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-05(B)(5)	Effective January 1, 2021, the owner of the captive whitetail deer must submit the animal's official identification device and a piece of fresh ear tissue that was directly attached to the animal's official identification device at the time of the animal's death.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-05(B)(5)(b)	The piece of fresh ear tissue that is connected to the official identification device shall not be placed in formalin	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-05(B)(5)(c)	If there are multiple official identification devices, only one device must have tissue attached.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-05(B)(5)(d)	All official identification devices must be submitted to the department.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-05(B)(5)(e)	If the animal does not have an official identification device at time of death, one must be issued and accompany the sample.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-05(D)(1)	The approved accredited veterinarian shall determine the quality of tissue samples to be collected and provide comments as to that quality.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-05(D)(2)	If tissues associated with a captive whitetail deer death are not submitted for laboratory diagnosis due to postmortem changes or unavailability, the chief, division of animal health or his representative shall be notified in writing by the veterinarian within seven days of that conclusion.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-1-05(D)(3)(b)	The new sample must be of the same species and have come from an animal that has resided in the herd for at least as long as the poor quality, missing, or untimely sample. In the case that the deceased animal was in the facility for more than five years, any animal that resided on the facility for more than five years may be submitted for testing.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-05(D)(3)(c)	Should a facility submit more than one poor quality, missing, or untimely sample in the same submission, the facility must submit new, testable post-mortem samples equal to or greater than the original poor quality, missing, or untimely samples.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-05(D)(4)	Hunting preserves that submit poor quality, missing, or untimely samples of harvested animals shall be quarantined seven days after receiving notice of the poor quality, missing, or untimely sample by the department. . . .	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-05(D)(4)(b)	Unless specifically permitted by the department, the new sample must be of the same species and have come from an animal that has resided in the herd for at least as long as the poor quality, missing, or untimely sample.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-05(D)(4)(c)	Should a hunting preserve submit more than one poor quality, missing, or untimely sample in the same submission, the facility must submit new, testable post-mortem samples equal to or greater than the original poor quality, missing, or untimely samples.	ORC 943.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-06(A)	Each owner must maintain a current complete herd inventory	ORC 943.24(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-06(A)	which must include, at a minimum, the following information and records for each captive whitetail deer:	ORC 943.24(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-06(B)	Each owner must maintain a log of fence inspection dates, as well as their findings, for a calendar year.	ORC 943.24(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-06(C)	All records, electronic or written, as outlined in paragraph (A) of this rule must be kept for five years after the captive whitetail deer has left the herd or has dies.	ORC 943.24(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-1-06(C)	Records must be made available to the director upon request.	ORC 943.24(B)	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-3-01(B)	The term "bone products" as used in this regulation shall mean bones of any animal in any form;including raw, steamed, degelatinized bone meal, whole or crushed bones .	ORC 941.03(A)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-3-01(B)	No bone products intended for use as animal feedstuffs, including mineral feeds, or fertilizers, admixed with, or to be admixed with, other ingredients for such uses, shall be moved into or within the state of Ohio, unless such bone products have been processed in a manner rendering them free from viable anthrax spores, excepting when moved directly to manufacturing plants for processing.	ORC 941.03(A)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-3-01(C)	The owner of the product which contains the bone products shall bear the burden of proof as to the sufficiency of the processing procedure employed to secure freedom of such bone products from viable anthrax spores when moved excepting when moving directly to a manufacturing plant for processing.	ORC 941.03(A)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-3-01(D)	A valid certification, setting forth full information as to the processing method employed to secure freedom of any such bone products which originated in any foreign country from viable anthrax spores, shall be supplied by the processor to the original purchaser	ORC 941.03(A)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-3-01(D)	and an exact copy of such processor's certification shall be supplied in turn by each subsequent seller to each subsequent purchaser.	ORC 941.03(A)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-3-01(E)	The processing of bone products, in order to render them free from viable anthrax spores, shall be equivalent to the standard process employed in the manufacture of steamed or degelatinized bone meal	ORC 941.03(A)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-3-01(E)	or shall be by any other process which the director of the Ohio department of agriculture deems sufficient to accomplish such purpose.	ORC 941.03(A)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-3-01(F)	Whenever any product is found or suspected to be contaminated with anthrax by the director of agriculture , such product shall be processed to render them free from viable anthrax spores or destroyed immediately on order of the director.	ORC 941.03(A)	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-3-01(G)	No spore vaccines for the prevention of anthrax shall be used in the state of Ohio except upon permission granted by the director of the Ohio department of agriculture.	ORC 941.03(A)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-3-01(G)	No such anthrax spore vaccines shall be sold to or administered by any person except a licensed veterinarian in the state of Ohio.	ORC 941.03(A)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01(I)	A safety entrance shall be constructed of material equivalent to the primary enclosure and include:	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01(J)	A secondary enclosure must be constructed so that it protects the animals in the enclosure by restricting animals and unauthorized persons from outside of the facility from having contact with the animals in the facility.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01(N)	Dead animals must be disposed of pursuant to section 941.14 of the Revised Code.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01(P)	Devices, or any other related equipment used to handle, sort, or move animals, must minimize distress	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01(P)	distress and must be maintained in proper working order at all times.			
OAC 901:1-4-01(Q)	Emergency lighting shall be available at each dangerous wild animal facility.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01(R)	Euthanasia must follow the American veterinary medical association guidelines.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01(S)	A person issued a restricted snake possession permit or restricted snake propagation permit shall comply with the standards adopted by the zoological association of America regarding care and housing and in effect on September 5, 2012.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01(T)	Nothing in the rules adopted in this chapter shall be construed to prevent a licensed veterinarian, or other person acting under the veterinarian's supervision, from meeting the standards set forth in Chapter 4741. of the Revised Code or rules promulgated thereunder.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1	Unless otherwise specified, all enclosures for dangerous wild animals as defined by division (C) of section 935.01 of the Revised Code must meet the minimum requirements listed in this rule.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-4-01.1(A)	Animals shall be housed and kept in double containment, consisting of a primary and a secondary enclosure as specified by this chapter for the species being kept.	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(B)	Enclosures must be inspected and maintained daily	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(B)	and any deficits shall be corrected as soon as possible.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(B)	If a temporary move is required the facility veterinarian must be notified.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(B)	If the temporary move is greater than twenty four hours, the veterinarian must concur with the selection of the temporary site and the duration of the move.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(C)	A Primary enclosure shall:	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(C)(2)	If roofed, the roof must be attached to and be of the same or equivalent strength as the sides of the primary enclosure	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(D)	If used to construct a primary enclosure, chain link fence must be secured on the inside of the primary enclosure's posts.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(E)	Aggressive or incompatible animals shall be housed separately.	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(F)	Fecal and food waste shall be removed from the primary enclosure regularly, as appropriate for the species, and stored or disposed of in a manner to protect the health and well-being of the animals, owners, and staff.	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(G)	Primary enclosures shall be cleaned daily and hard surfaces disinfected a minimum of once weekly.	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(H)	New or diseased animals shall be housed separately and handled in a manner to minimize distress and the likelihood of spreading disease to other animals.	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(I)	Non-injurious enrichment opportunities shall be provided to ensure the animal's physical stimulation and psychological needs are met,	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(I)	and shall be compatible with the species and number of animals.	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(J)	Each primary enclosure shall have a shift cage sized appropriate to the number, size and compatibility of the animals.	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-4-01.1(J)(1)	Shift cages shall be constructed of material equivalent to the primary enclosure and be sufficiently strong to prevent escape.	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(J)(2)	The shift cage shall be separated from the primary enclosure by a door of equivalent material that can be locked in the closed or open position.	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(J)(3)	Shift cage door controls shall be protected from the animal in the primary enclosure.	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(K)	Cantilever fencing, as required in this chapter, shall be:	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(K)(1)(b)	If used, these cables must be evenly spaced to prevent escape.	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(M)	Secondary enclosures shall:	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(N)	Safety signs must be conspicuously displayed on any electrified section of the enclosure.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(P)(1)	Adequate measures shall be taken so that climatic conditions do not pose a threat to the animal.	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(P)(1)	The animal's age, overall health and acclimation shall be taken into consideration when taking measures to minimize these conditions;	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(P)(2)	A species appropriate means of thermo-regulating and an adequate UV source shall be provided;	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(P)(3)	Indoor housing ventilation shall provide for health, comfort and welfare of animals by minimizing drafts, odors, dust, ammonia levels, and moisture condensation;	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(P)(4)	Light intensity shall be sufficient for observation and cleaning.	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.1(C)	A Primary enclosure shall:	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.2(A)	As appropriate to the species, animals must receive food and water on a regular basis of sufficient quantity and quality to ensure maintenance of normal body condition and/or growth.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.2(B)	Food and water receptacles must be kept clean and sanitary.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.2(C)	Food provided shall be unspoiled and uncontaminated.	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.2(D)	Perishable foods must be kept under refrigeration	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.2(D)	and all foods must be stored in a safe manner.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.2(E)	A nutritional plan must be developed with veterinary guidance.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-4-01.2(F)	Food and water receptacles shall be of a sufficient number and size for the animals being served.	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.2(G)	All food and water equipment must be inspected and maintained in working condition.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.3(A)	Each owner of an animal shall have a valid veterinary-client-patient-relationship with a licensed veterinarian.	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.3(B)	The veterinarian must visit each facility a minimum of one time per year and provide a written annual program of care for the animals in the facility.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.3(C)	Animals shall be monitored regularly for evidence of disease, injury, and parasites	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.3(C)	and corrective measures under veterinary guidance must be taken when evidence is found of such conditions.	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.3(D)	A primary enclosure must provide the opportunity and space to exercise daily and have freedom of movement to reduce distress and maintain physical condition, unless directed otherwise by a veterinarian.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.3(E)	Each facility shall maintain a safe and effective program for the control of rodents, insects, ectoparasites and other pests.	ORC 935.17(A)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.3(F)	Owners and any personnel in contact with nonhuman primates or elephants must annually have a negative tuberculosis test.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.3(G)	The introduction of new animals to a social group must be done in a manner to minimize distress, tension and aggression.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.3(H)	Euthanasia for animals must be performed when the likelihood for recovery is poor and the condition cannot be effectively relieved by best species management and medically appropriate procedures.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-01.3(I)	The director shall take the advice of the state veterinarian and the veterinarian of the facility which is housing the animal to evaluate the condition of an animal or restricted snake that is under the control of the department.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-4-01.3(I)	The veterinarians shall advise the director on the disposition of the animal based upon the initial evaluation of the animal's health, psychological well-being, and long term quality of life including population management.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-02(A)	Primary enclosures shall be constructed of at least six gauge diameter chain link or its equivalent.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-02(B)	The frame of the primary enclosure must be constructed using at least three inch diameter steel vertical posts or equivalent material, two inch diameter steel or equivalent material for cross bracing, door frames, and top and bottom rails.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-02(C)	For one animal, the primary enclosure shall be a minimum of four hundred square feet, eight feet high with a roof, or twelve feet high with a cantilever.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-02(C)	For each additional animal, the primary enclosure must be increased by two hundred square feet.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-02(D)	Polar bears shall have at least one hundred square feet of pool space, five feet deep,	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-02(D)	and for each additional polar bear the surface area must be increased by forty square feet.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-02(D)	The pool must be constructed so that the polar bear can easily enter the water, submerge, and exit from the water.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-03(A)	Primary enclosure shall be constructed of at least nine gauge diameter chain link or its equivalent.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-03(B)	For one or two animals, the primary enclosure shall be a minimum of four hundred square feet, eight feet high, and either have a roof or have a cantilever.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-03(B)	For each additional animal, the primary enclosure must be increased by two hundred square feet.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-03(C)	Permit holders possessing more than one of the animals regulated under this rule shall house them in stable pairs or groups of compatible individuals, except where single housing is justified based on social incompatibility resulting from inappropriate behavior or veterinary concerns regarding animal well-being.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-04(A)	Primary enclosure shall be constructed of at least nine gauge diameter chain link or its equivalent.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-4-04(B)	For one or two animals, the primary enclosure shall be a minimum of four hundred square feet, eight feet high, and either have a roof or have a cantilever.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-04(B)	For each additional animal, the primary enclosure must be increased by two hundred square feet.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-04(C)	Permit holders possessing more than one of the animals regulated under this rule shall house them in stable pairs or groups of compatible individuals, except where single housing is justified based on social incompatibility resulting from inappropriate behavior or veterinary concerns regarding animal well-being.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-05(A)	Each enclosure shall have a claw log.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-05(B)(1)	For one or two animals, the primary enclosure shall be at least six hundred square feet and twelve feet high with a cantilever.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-05(B)(1)	For each additional animal the primary enclosure must be increased by three hundred square feet.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-05(B)(2)	Primary enclosures shall be constructed of at least nine gauge diameter chain link or its equivalent.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-05(C)(1)	For one or two animals, the primary enclosure shall be at least four hundred square feet and eight feet high with a roof.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-05(C)(1)	For each additional animal the primary enclosure must be increased by two hundred square feet.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-05(C)(2)	Primary enclosures shall be constructed of at least nine gauge diameter chain link or its equivalent.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-05(D)(1)	For one or two animals, the primary enclosure shall be at least one hundred square feet and six feet high with a roof.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-05(D)(1)	For each additional animal, the primary enclosure shall be increased by fifty square feet.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-05(D)(2)	Primary enclosures shall be constructed of at least eleven and one half gauge diameter chain link or its equivalent.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-4-05(D)(4)	Permit holders possessing more than one of a species of small felid regulated under paragraph (D) of this rule shall house them in stable pairs or groups of compatible individuals; except where single housing is justified based on social incompatibility resulting from inappropriate behavior or veterinary concerns regarding animal well-being.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(A)(1)	Shall be constructed of steel bars, masonry block, rock wall or equivalent.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(A)(2)(a)	If using horizontal cables, the vertical posts shall not be more than sixteen feet apart with horizontal cables not more than twelve inches apart;	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(A)(2)(b)	If horizontal cables are not used, the vertical posts shall not be more than twelve inches apart.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(A)(2)(b)	If wooden posts are used they must be a minimum of twelve inches in diameter, not be treated with creosote, and utilize a secondary deterrent.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(B)(1)	For one animal, the primary enclosure shall be a minimum of one thousand two hundred square feet, and be five feet high.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(B)(1)	For each additional animal, the primary enclosure shall be increased by six hundred square feet.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(B)(2)	A Nile hippopotamus shall be provided with a pool of water four hundred square feet, five feet deep, and equipped with a ramp or steps.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(B)(2)	For each additional animal, the pool surface area must be increased by two hundred square feet.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(B)(3)	A Pygmy hippopotamus shall be provided with a pool of water one hundred twenty square feet, five feet deep, and equipped with a ramp or steps.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(B)(3)	For each additional animal, the pool surface area shall be increased by sixty square feet.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(B)(4)	Pools shall be drained and cleaned at least one time daily, or filtered using a system approved by the director.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(C)(1)	For one female, the primary enclosure shall be a minimum of two thousand square feet.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(C)(1)	For each additional female, the primary enclosure shall be increased by one thousand square feet.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-4-06(C)(2)	For one male, the primary enclosure shall be a minimum of four thousand square feet.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(C)(2)	For each additional male the primary enclosure shall be increased by two thousand square feet.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(C)(3)	For one female with a calf, the primary enclosure shall be a minimum of four thousand square feet.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(C)(3)	For each additional animal the primary enclosure shall be increased by two thousand square feet.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(C)(4)	If indoors, primary enclosures indoors shall have a twenty-five feet high ceiling,	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(C)(5)	Primary enclosures shall have access to a natural substrate.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(C)(6)	Constant tethering shall not exceed fourteen days without veterinary consent.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(C)(6)	Tethering shall not prohibit normal postural movement.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(C)(7)	If housed outdoors, elephants shall have available water, mud, dust, soil, or sand to allow elephants to thermo-regulation;	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(C)(8)	All elephant facilities shall have an elephant restraint device (ERD), or demonstrate a method of restraint that allows necessary husbandry, veterinary, and reproductive procedures to occur in a safe and efficient manner for all elephants in the facility.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(C)(8)	Use of the ERD shall not be weather dependent.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(C)(9)	Permit holders possessing more than one of the animals regulated under paragraph (C) of this rule shall house them in stable pairs or groups of compatible individuals; except where single housing is justified based on social incompatibility resulting from inappropriate behavior or veterinary concerns regarding animal well-being.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(D)	For one animal, the primary enclosure shall be a minimum of one thousand five hundred square feet, and eight feet high. For each additional animal, the primary enclosure shall be increased by seven hundred fifty square feet.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(D)	For each additional animal, the primary enclosure shall be increased by seven hundred fifty square feet.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-4-06(E)(1)	For one animal, the primary enclosure shall be a minimum of seven hundred square feet and eight feet high.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(E)(1)	For each additional animal the primary enclosure shall be increased by three hundred fifty square feet.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-06(E)(2)	The animal shall have access to a water source for swimming or mud wallowing.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-07(A)	Primary enclosure shall be constructed of concrete, three eighths inch plexiglass, or a combination of these or other material equivalent to nine gauge diameter chain link in strength.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-07(B)	The primary enclosure shall be a minimum of two hundred square feet	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-07(B)	and shall be at least six feet high.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-07(B)	For each additional animal, the primary enclosure shall be increased by one hundred square feet.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-07(C)	If the primary enclosure is unroofed, the enclosure shall have a cantilever with an electric secondary deterrent on the cantilever.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-08(A)	Primary enclosure shall be constructed of concrete, three eighths inch plexiglass, or a combination of these or other material equivalent to nine gauge chain link in strength and be of sufficient height to prevent escape.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-08(C)	Animals regulated by this rule shall have their length measured as the distance between snout and vent unless otherwise specified.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-08(D)	The dry space in the primary enclosure shall be at least two times the length and width of the largest animal in the enclosure.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-08(D)	All animals shall be able to stretch out without touching each other.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-08(E)	The water space in the primary enclosure shall be at least two times the length of the largest animal in the enclosure	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-08(E)	and the animal shall be able to submerge at least six inches under water.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-08(E)	All animals shall be able to submerge at the same time without touching each other.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-4-08(F)	Animals regulated by this rule that are less than four feet in total length, measuring snout to end of the tail, must be kept in a plexiglass or equivalent strength containment that prevents escape and ensures public safety.	ORC 935.17(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(A)	Each primary enclosure shall have multiple elevated platforms	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(A)	that shall accommodate all animals in the enclosure simultaneously.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(B)	Each primary enclosure shall have a visual barrier that provides a retreat area for the animal.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(E)	Permit holders possessing more than one of the animals regulated under this rule shall house them in stable pairs or groups of compatible individuals; except where single housing is justified based on social incompatibility resulting from inappropriate behavior or veterinary concerns regarding animal well-being.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(F)(1)	The primary enclosure shall be constructed of at least nine gauge wire mesh or its equivalent.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(F)(2)	The primary enclosure shall be a minimum of one hundred square feet with a roof, and have eight feet of useable climbing vertical height.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(F)(2)	For each additional animal the primary enclosure shall be increased by twenty five square feet.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(G)(1)	The primary enclosure shall be constructed of steel bars, two inch diameter galvanized pipe, six gauge diameter chain link, masonry block or their equivalent.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(G)(2)	The primary enclosure shall be a minimum of three hundred square feet with a roof, and have eight feet of useable climbing vertical height.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(G)(2)	For each additional animal the primary enclosure shall be increased by seventy five square feet.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(H)(1)	The primary enclosure shall be constructed of steel bars, two inch diameter galvanized pipe, six gauge diameter chain link, masonry block or their equivalent.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(H)(2)	The primary enclosure shall be a minimum of four hundred square feet with a roof, and have eight feet of useable climbing vertical height.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-4-09(H)(2)	For each additional animal the primary enclosure shall be increased by seventy five square feet.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(I)(1)	The primary enclosure shall be constructed of at least eleven and one half gauge wire mesh or its equivalent.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(I)(2)	The primary enclosure shall be a minimum of nine square feet with a roof, and have six feet of useable climbing height.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(I)(2)	For each additional animal the primary enclosure shall be increased by two and one fourth square feet.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(J)(1)	The primary enclosure shall be constructed of at least eleven and one half gauge wire mesh or its equivalent.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(J)(2)	The primary enclosure shall be a minimum of sixteen square feet with a roof, and have six feet of useable climbing height.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(J)(2)	For each additional animal the primary enclosure shall be increased by four square feet.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(K)(1)	The primary enclosure shall be constructed of at least eleven and one half gauge wire mesh or the equivalent.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(K)(2)	The primary enclosure shall be a minimum of sixteen square feet with a roof, and have six feet of useable climbing height.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(K)(2)	For each additional animal the primary enclosure shall be increased by four square feet.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(L)(1)	The primary enclosure shall be constructed of at least nine gauge wire mesh or the equivalent.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(L)(2)	The primary enclosure shall be a minimum of sixty-four square feet with a roof, and have six feet of useable climbing height.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-09(L)(2)	For each additional animal the primary enclosure shall be increased by sixteen square feet.	ORC 935.17(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-10(A)	Permit holders shall monitor and maintain records appropriate to the species documenting cleaning and feeding schedules, veterinary care, pest control, unique identification for each animal, and the disposition of each animal.	ORC 935.17 & ORC 935.15(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-10(B)	An owner applying for a renewal of their existing permit shall identify animals not on the original registration permit.	ORC 935.17 & ORC 935.15(B)	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-4-10(C)	Records required by division (A) of section 935.15 of the Revised Code shall be:	ORC 935.17 & ORC 935.15(B)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-11(A)	Transportation of animals shall comply with the United States Animal Welfare Act transportation standards or the international air transportation association standards.	ORC 935.17 & 7 USC 54	Yes, federal law	Yes, federal law
OAC 901:1-4-11(B)	Certificates of veterinary inspection and required transport permits must accompany the shipment	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-11(B)	and must be in compliance with all applicable state, national, or international requirements.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-11(C)	The animal's cage or enclosure shall be of sufficient strength and security to prevent escape and large enough to ensure that each animal has sufficient space to turn, stand erect, and lie naturally.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-11(D)	Animal transportation must be conducted in a manner that is safe, well-planned, coordinated, and minimizes distress to the animal.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-11(E)	Animals in transit must be checked on every four hours to assure they are receiving sufficient air for normal breathing and they are being protected from adverse weather conditions.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-11(F)	Animals must be transported in double containment (primary and secondary enclosures.) The vehicle, if fully enclosed, may serve as the secondary enclosure.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-11(F)	The primary enclosure must be constructed so that no body part can protrude from the enclosure.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-11(G)	The animal containment area shall be free of engine exhaust fumes.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-11(H)	Only one nonhuman primate, including a female in estrus, shall be transported in a primary enclosure, except for:	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-11(I)	Animals transported in the same primary enclosure shall be of the same species and maintained in compatible groups.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-11(J)	Animals that have not reached puberty shall not be transported in the same primary enclosure with adult animals other than their dams.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-11(K)	Animals must be placed in a primary enclosure that prevents the leaking of excreta with floors that:	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-4-11(L)	Animals shall be watered within four hours prior to being transported and every twelve hours thereafter and fed every twenty four hours unless directed by a licensed veterinarian.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-11(M)	Nonhuman primates that are more than one year of age must be fed every twenty four hours;	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-11(M)	and if less than one year, they must be fed every twelve hours.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-11(M)	They must be watered every twelve hours.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-11(N)	The transporter must have an emergency plan.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-12(A)	Signs required by this rule shall be in capital letters, measuring at least three quarters of an inch in width and height;	ORC 935.17(I)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-12(A)	and, all lettering shall be black or red print on a white background.	ORC 935.17(I)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-12(B)	At each normal entrance onto property on which any dangerous wild animal or restricted snake is confined, the owner shall have continuously posted and displayed a conspicuous sign, clearly visible, and easily readable by the public, warning that there is a dangerous wild animal or restricted snake on the premises.	ORC 935.17(I) & ORC 935.18(C)(2)	Yes, state law	Yes, state law
OAC 901:1-4-12(B)	Signs shall state as appropriate	ORC 935.17(I) & ORC 935.18(C)(2)	Yes, state law	Yes, state law
OAC 901:1-4-12(C)	On each primary enclosure in which a dangerous wild animal is confined, the owner shall have continuously posted and displayed a conspicuous sign, clearly visible, and easily readable.	ORC 935.17(I) & ORC 935.18(C)(1)	Yes, state law	Yes, state law
OAC 901:1-4-12(C)	Signs shall state	ORC 935.17(I) & ORC 935.18(C)(1)	Yes, state law	Yes, state law
OAC 901:1-4-12(D)	On each primary enclosure in which a restricted snake is confined, the owner shall have continuously posted and displayed a conspicuous sign, clearly visible, and easily readable.	ORC 935.17(I) & ORC 935.18(C)(3)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-12(D)	Signs shall state: . . .	ORC 935.17(I) & ORC 935.18(C)(3)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-12(D)	On each primary enclosure in which a restricted snake is confined, the owner shall have continuously posted and displayed a conspicuous sign, clearly visible, and easily readable.	ORC 935.17(I) & ORC 935.18(C)	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-4-12(D)(2)	If the snake is venomous, the sign must also state "VENOMOUS SNAKE: If bitten, antivenom: _____. TAKE THIS SIGN WITH YOU TO ASSIST IN MEDICAL TREATMENT.", and state the antivenom to be used in the case of a bite and the location of antivenom.	ORC 935.17(I) & ORC 935.18(C)(3)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-12(D)(2)	If antivenom is kept at a hospital, the sign shall list emergency contact information for the hospital.	ORC 935.17(I) & ORC 935.18(C)(3)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-12(E)	Anytime a dangerous wild animal or restricted snake is transported by vehicle, the vehicle must have a sign conspicuously displayed that meets the same requirements for the signs posted outside the animal's cage or container in paragraphs (B) and (C) of this rule.	ORC 935.17(I) & ORC 935.18(C)(5)	Yes, state law	Yes, state law
OAC 901:1-4-13(B)	Opportunity to take examinations will be provided at such times and places as determined by the director in consideration of the number and location of requests, but there shall be at least four opportunities to take an examination per year.	ORC 935.17(D)(4)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-13(C)	No less than thirty days prior to an examination, the dates and locations will be announced on the department's website and pending applicants shall be informed by first-class mail.	ORC 935.17(D)(4)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-13(D)	Registration for exams shall be on a form provided on the department's website	ORC 935.17(D)(4)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-13(E)	Registration forms must be received by the department two business days prior to the examination, and may be returned to the department by mail, email, or fax.	ORC 935.17(A) & ORC 935.04(A)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-13(G)	Each examination shall consist of a core examination that will assess the applicant's knowledge of the duties and responsibilities of permit holders specific to the type of permit for which the applicant is applying.	ORC 935.17(D)(4)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-14	Wildlife propagation permit applicants shall include with the permit application or renewal a species survival program plan as defined by this rule.	ORC 935.17(D)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-14(A)	A species survival program shall be developed in cooperation with a veterinarian and approved by the chief of the division of animal health.	ORC 935.17(D)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-14(B)	The wildlife propagation permit shall include the veterinarian's approval of the species survival program.	ORC 935.17(D)(2)	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-4-14(C)	The species survival program shall be for animals designated as endangered by the convention on international trade in endangered species of wild fauna and flora (CITES).	ORC 935.17(D)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-14(D)	The species survival program shall be based on generally accepted scientific understanding and include protocols for at least:	ORC 935.17(D)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-14(E)	The species survival program shall be reviewed annually with the permit holder's veterinarian,	ORC 935.17(D)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-14(E)	and the permit renewal form shall include the veterinarian's approval of the continuing program.	ORC 935.17(D)(2)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-15(A)	An applicant for a wildlife shelter permit or wildlife propagation permits shall file an application for a permit with the director of agriculture on a form prescribed and provided by the director.	ORC 935.17(D), ORC 935.06, & ORC 935.07	Yes, state law	Yes, state law
OAC 901:1-4-15(A)	In addition to the information required by section 935.05 of the Revised Code, the application shall include all of the following:	ORC 935.17(D), ORC 935.06, & ORC 935.07	Yes, state law	Yes, state law
OAC 901:1-4-15(B)	An application for a wildlife shelter permit or wildlife propagation permit shall not be considered complete until all of the following have been submitted to the director:	ORC 935.17(D), ORC 935.06, & ORC 935.07	Yes, state law	Yes, state law
OAC 901:1-4-16(A)	An applicant for a rescue facility permit shall file an application for a permit with the director of agriculture on a form prescribed and provided by the director. An applicant need apply for only one permit regardless of the number of dangerous wild animals that the applicant possesses.	ORC 935.17 & ORC 935.101	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-16(A)	The application shall include all of the following:	ORC 935.17 & ORC 935.101	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-16(A)	Not later than ninety days after receipt of an application under section 935.101 of the Revised Code, the director of agriculture shall issue or deny a rescue facility permit.	ORC 935.17 & ORC 935.101	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-16(A)	The director shall issue a permit to an applicant only if all of the following apply:	ORC 935.17 & ORC 935.101	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-16(B)(7)	If a permit is issued, the director shall assign a unique identification number to the permit.	ORC 935.17 & ORC 935.101	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-4-16(C)	Not later than the first day of December of each year, a permit holder shall apply to the director, on a form prescribed and provided by the director, for a renewal of the permit if the permit holder intends to retain possession of the dangerous wild animal or animals that are identified in the permit.	ORC 935.17 & ORC 935.101	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-16(D)	Not later than thirty days after receipt of an application for renewal, the director shall renew or deny the renewal of the permit.	ORC 935.17 & ORC 935.101	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-16(D)	The director shall renew the permit if the permit holder complies with this chapter and rules and pays a renewal fee in the same amount as the fee established for the initial permit in section 935.101 of the Revised Code.	ORC 935.17 & ORC 935.101	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-16(E)	If a renewal permit is denied, two hundred fifty dollars of the renewal fee shall be retained by the director as payment for the reasonable expense of processing the application,	ORC 935.17 & ORC 935.101	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-16(E)	and the remainder of the renewal fee shall be returned to the applicant.	ORC 935.17 & ORC 935.101	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-16(F)	If the director denies an application for a permit or a renewal of a permit, the director shall notify the person of the denial, the grounds for the denial, and the person's right to an adjudication under Chapter 119. of the Revised Code.	ORC 935.17 & ORC 935.101	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-16(G)	If a person does not appeal the determination of the director to deny an application for a permit or a renewal of a permit or if the determination of the director is affirmed under Chapter 119. of the Revised Code, not later than thirty days after the decision not to appeal or after the determination is affirmed, as applicable, the person shall transfer the dangerous wild animal or animals that the person possesses to a humane society, wildlife sanctuary, rescue facility, facility that is an accredited member of either the association of zoos and aquariums or the zoological association of America, or facility that is located in another state and that complies with that state's applicable laws.	ORC 935.17 & ORC 935.101	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-4-16(G)	After the transfer has occurred, the person shall submit proof to the director that the dangerous wild animal or animals were transferred	ORC 935.17 & ORC 935.101	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-16(G)	and shall specify the society, sanctuary, or facility to which the animal or animals were transferred.	ORC 935.17 & ORC 935.101	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-16(H)	If a person that has been issued a rescue facility permit under section 935.101 of the Revised Code dies, the person's next of kin shall do one of the following:	ORC 935.17 & ORC 935.101	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-16(H)(1)	That next of kin shall comply with this chapter and rules, except that, with respect to the next of kin's initial permit, the person need not pay the applicable permit application fee.	ORC 935.17 & ORC 935.101	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-16(H)(I)	All fees collected under this section shall be credited to the dangerous and restricted animal fund created in section 935.25 of the Revised Code.	ORC 935.17 & ORC 935.101	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-17(A)	After notice and opportunity for hearing pursuant to Chapter 119. of the Revised Code, all fines are assessed on the owner of the dangerous wild animal or restricted snake, and shall be paid by the owner within thirty days of receipt of order imposing the fine from the director of the department.	ORC 935.17 & ORC 935.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-17(B)	Any violation of the prohibitions listed in divisions (A), (B), (C), (E), (F), and (G) of section 935.18 of the Revised Code shall be subject to a fine of not more than one thousand dollars for the first violation and not more than ten thousand dollars for each subsequent violation of the same section or rule that occurs within two years of the first violation or preceding subsequent violation.	ORC 935.17 & ORC 935.24	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-17(C)	Any violation of the prohibition listed in division (D) of section 935.18 of the Revised Code shall be subject to a fine of not more than five thousand dollars for the first violation, and not more than ten thousand dollars for each subsequent violation of the same section or rule that occurs within two years of the second violation or preceding subsequent violation:	ORC 935.17 & ORC 935.24	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-4-18(A)	Pursuant to division (K) of section 935.20 of the Revised Code, the director shall maintain a list of facilities that are determined by the director to be eligible to accept dangerous wild animals and restricted snakes for the purposes of section 935.20 of the Revised Code.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-18(C)	Compensation is at the sole discretion of the director and must be requested by the facility before transfer of the animal to the facility.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-19(A)	An applicant for a restricted snake possession permit or a restricted snake propagation permit shall file an application for a permit with the director of agriculture on a form prescribed and provided by the director.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-19(B)	In addition to the information required by section 935.08 of the Revised Code, an application for a restricted snake possession permit or a restricted snake propagation permit shall not be considered complete until all of the following have been submitted to the director:	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-4-19(B)(10)	Photographs must be of sufficient quality to determine the identity of the animals. Submission of photos which are blurry or not of sufficient quality will not be accepted.	ORC 935.17	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-02(A)(3)	Any animals vaccinated in accordance with the provisions of this paragraph that are not shipped to the receiving state within seven days of the date of vaccination shall not be used for any purpose other than finish feeding to slaughter.	ORC 941.03	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-02(B)	Any licensed accredited veterinarian who administers an approved brucella biologic to any animal within the state of Ohio shall:	ORC 941.03	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-02(B)(2)	Mark the right ear with a vaccination tattoo code consisting of three sections.	ORC 941.03	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-02(B)(2)	The first section shall be an "R" designating the use of the RB51 brucella vaccine.	ORC 941.03	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-02(B)(2)	The second section shall be the letter "V," enclosed in a shield,	ORC 941.03	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-02(B)(2)	and the third shall be the last digit of the year in which the biologic is administered.	ORC 941.03	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-5-02(D)	No person shall administer, or permit the administration of, an approved brucella biologic to. . .	ORC 941.03	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-03(A)	Beginning January 1, 1970, a brucellosis herd test of cattle shall include a test of each official brucellosis vaccinate over twenty months of age.	ORC 941.03	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-03(C)	Any veterinarian who makes a brucellosis test, or employs any other method of detection for brucellosis shall include in the report required by Section 941.24(C) Revised Code:	ORC 941.03 & ORC 941.24(C)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-04(A)	The department of agriculture shall place under quarantine any premises on which brucellosis is known to exist or on which there is good reason to suspect the presence of brucellosis.	ORC 941.03 & ORC 941.26	Yes, state law	Yes, state law
OAC 901:1-5-05(A)	No person shall sell, move or dispose of cattle within this state unless the cattle. . .	ORC 941.03 & ORC 941.26	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-05(B)	Each livestock market operator, livestock dealer or livestock trucker, at the time such animals are received by him or are under his control, shall identify all cattle designated for immediate slaughter which originates within this state and are two years of age or older with an approved market tag issued by the department.	ORC 941.03 & ORC 941.26	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-06(C)	If a blood test of a certified brucellosis free herd, or of an animal from such a herd, reveals: . . .	ORC 941.03 & 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-06(C)(1)	If a blood test of a certified brucellosis free herd, or of an animal from such a herd, reveals: (1) One positive the department shall. . .	ORC 941.03 & ORC 941.22(A)	Yes, state law	Yes, state law
OAC 901:1-5-06(C)(2)	If a blood test of a certified brucellosis free herd, or of an animal from such a herd, reveals: (2) More than one positive the department shall. . .	ORC 941.03 & ORC 941.22(A)	Yes, state law	Yes, state law
OAC 901:1-5-06(C)(2)	More than one positive the department shall: . . .	ORC 941.03 & 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-06(C)(2)b)	Require that the herd comply with all requirements stated in division (A) of this regulation before the department may recertify the herd as brucellosis free	ORC 941.03 & 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-06(C)(3)	If a blood test of a certified brucellosis free herd, or of an animal from such a herd, reveals: (3) One or more suspects the department shall suspend the certified brucellosis free status of the herd	ORC 941.03 & ORC 941.22(A)	Yes, state law	Yes, state law
OAC 901:1-5-06(C)(3)	and prior to recertification of the herd, shall require. . .	ORC 941.03 & ORC 941.22(A)	Yes, state law	Yes, state law

OAC 901:1-5-06(D)	The department shall suspend the certified brucellosis free status of a herd if each addition to the herd is not. .	ORC 941.03 & ORC 941.22(A)	Yes, state law	Yes, state law
OAC 901:1-5-06(E)	The department shall not grant status as a member of the certified brucellosis free herd, for sale purposes, to any animal added to the herd under subdivisions (D)(3) or (4) of this regulation until the animal. . .	ORC 941.03 & ORC 941.22(A)	Yes, state law	Yes, state law
OAC 901:1-5-08(B)	If the percentage of infected herds in a formerly certified brucellosis-free area exceeds the limit for initial certified brucellosis-free status, the department shall designate it as a modified certified brucellosis area and may recertify it only when it meets the requirements for initial designation as a certified brucellosis-free area.	ORC 941.03 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-09(A)	Validation shall be effective for 365 days and applies to all offspring of such herds.	ORC 941.03 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-09(B)	The department shall suspend the validation of a herd if each addition to the herd is not. . .	ORC 941.03 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-09(C)(1)	If one or more reactors are found in a validated herd the department: (1) Shall revoke the validation	ORC 941.03 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-11(A)(2)	To qualify by this method at least one-half of the required tests shall be reported by the end of the first eighteen months of the three-year validation period	ORC 941.03 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(4)	Any blood samples which are taken to conduct a brucella canis test shall only be taken by an accredited veterinarian, or by a registered veterinary technician who is supervised by an accredited veterinarian.	ORC 941.03, ORC 941.02 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(A)(3)	(A) Brucella canis tests. . . (3) Laboratories approved or operated by the Ohio department of agriculture may combine no more than five samples for IFA testing.	ORC 941.02, ORC 941.03, & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(A)(3)	If the composite sample is positive for brucella canis, each canine sample making up the composite sample must be tested individually.	ORC 941.02, ORC 941.03, & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(B)(1)(a)	A canine shall be classified as brucella canis suspect, if it tests positive for brucella canis using the following tests:	ORC 941.03, ORC 941.02 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(B)(1)(b)	A canine test which has been classified as brucella canis suspect according to paragraph (B)(1)(a), shall either:	ORC 941.03, ORC 941.02 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-5-12(B)(2)	A canine shall be classified as brucella canis negative if, through tests conducted by the Ohio department of agriculture or an approved laboratory, the canine tests negative for brucella canis using the following tests	ORC 941.03, ORC 941.02 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(B)(3)	A canine shall be classified as brucella canis positive if, through tests conducted by the Ohio department of agriculture or an approved laboratory, the canine tests positive for brucella canis using the following tests	ORC 941.03, ORC 941.02 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(C)(1)	All accredited veterinarians who conduct a brucella canis test, submits a sample for brucella canis testing, or employs any other method of detection for brucella canis, shall include in the report as required in division (C) of section 941.24 of the Revised Code, on a form approved by the Ohio department of agriculture, the following information. . .	ORC 941.03, ORC 941.02 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(C)(2)	All accredited veterinarians and laboratories who conduct brucella canis testing shall report the results of the tests to the Ohio department of agriculture within seven days on a form approved by the Ohio department of agriculture.	ORC 941.03, ORC 941.02 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(C)(3)	An accredited veterinarian must identify any canine to be tested for brucella canis with any of the following items which have been approved by the Ohio department of agriculture:	ORC 941.02, ORC 941.03, & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(D)(1)	Pursuant to Chapter 941 of the Ohio Revised Code, the Ohio department of agriculture shall quarantine any canine on any premises that has been exposed to or diagnosed as brucella canis suspect or brucella canis positive animal.	ORC 941.03, ORC 941.02 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(D)(2)	A brucella canis suspect canine shall be released from quarantine upon two negative tests at least sixty days apart that were conducted by the Ohio department of agriculture or an approved laboratory.	ORC 941.03, ORC 941.02 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(D)(3)	A brucella canis positive canine on an Ohio department of agriculture licensed kennel premises shall be released from quarantine upon either	ORC 941.03, ORC 941.02 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-5-12(D)(4)	A brucella canis positive canine not on an Ohio department of agriculture licensed kennel premises shall be released from quarantine upon the following conditions being met	ORC 941.03, ORC 941.02 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(E)(1)	Selling, movement, and disposal of animals. (1) No canine known to be brucella canis suspect or brucella canis positive shall be offered for sale, trade, barter, or otherwise removed from the premises.	ORC 941.03, ORC 941.02 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(E)(2)	Puppies born to a brucella canis suspect dam shall not be offered for sale, trade, barter, or be removed from the premises unless the dam is later classified as brucella canis negative.	ORC 941.03, ORC 941.02 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(E)(2)	These puppies may be isolated and quarantined in accordance with paragraph (D) of rule 901:1-5-12 of the Administrative Code and shall be tested after they reach six months of age	ORC 941.03, ORC 941.02 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(E)(2)	and must be re-tested no sooner than sixty days after the initial test.	ORC 941.03, ORC 941.02 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(E)(3)	Puppies born to a brucella positive dam must not be offered for sale, barter, or otherwise removed from the premises without prior permission of the department.	ORC 941.03, ORC 941.02 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(E)(3)	These puppies may be isolated and quarantined in accordance with paragraph (D) of rule 901:1-5-12 of the Administrative Code and shall be tested after six months of age	ORC 941.03, ORC 941.02 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(E)(3)	and must be re-tested no sooner than sixty days after the initial test.	ORC 941.03, ORC 941.02 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(E)(3)	Puppies born to a brucella positive dam must not be offered for sale, barter, or otherwise removed from the premises without prior permission of the department.	ORC 941.02, ORC 941.03, & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(E)(3)	These puppies may be isolated and quarantined in accordance with paragraph (D) of rule 901:1-5-12 of the Administrative Code and shall be tested after six months of age	ORC 941.02, ORC 941.03, & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(E)(3)	and must be re-tested no sooner than sixty days after the initial test.	ORC 941.02, ORC 941.03, & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-12(E)(4)	Puppies under six-months of age which are classified as brucella canis positive may be retested after six-months of age	ORC 941.02, ORC 941.03, & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-5-12(E)(4)	and must be re-tested no sooner than sixty days after the initial test.	ORC 941.02, ORC 941.03, & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-13(A)	A licensed kennel under Chapter 956. of the Revised Code, shall be designated a brucella canis free kennel if the kennel has had two successive whole kennel negative tests and follows the requirements as listed in this rule.	ORC 941.03, ORC 941.02 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-13(A)	(A) A licensed kennel under Chapter 956. of the Revised Code, shall be designated a brucella canis free kennel if the kennel has had two successive whole kennel negative tests and follows the requirements as listed in this rule.	ORC 941.02, ORC 941.03, & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-13(A)(1)	A whole kennel test consists of testing all canines over six months of age. In order for a whole kennel test to be valid, it must meet the following requirements: . . .	ORC 941.02, ORC 941.03, & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-13(A)(3)	If all kennel test samples are negative, the kennel must be retested in no less than six nor more than twelve months to be considered successive.	ORC 941.02, ORC 941.03, & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-13(A)(4)	If one or more canines are designated brucella canis positive or brucella canis suspect, the canines must be individually isolated and quarantined in accordance with rule 901:1-5-12 of the Administrative Code.	ORC 941.02, ORC 941.03, & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-13(A)(4)	The licensed kennel must be re-tested not less than two months nor more than six months after the removal of the positive or suspect canines.	ORC 941.02, ORC 941.03, & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-5-13(B)	A brucella canis free kennel shall maintain its status if. . .	ORC 941.03, ORC 941.02 & ORC 941.22	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-01(O)	Dogs shall be handled, sorted, and moved in a manner that minimizes distress.	ORC 956.03	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-01(P)	Dead adult dogs or puppies shall be disposed of pursuant to section 941.14 of the Revised Code.	ORC 956.03 & 941.14	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-01(R)	Nothing in the rules adopted in this chapter shall be construed to prevent a licensed veterinarian, or other person acting under the veterinarian's supervision, from meeting the standards set forth in Chapter 4741. of the Revised Code or rules promulgated thereunder.	ORC 956.03 & 941.14	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02	Unless otherwise specified, all housing for adult dogs and puppies kept by high volume breeders shall meet the minimum requirements listed in this rule.	ORC 956.03	No, general rulemaking authority	ORC 956.03 & 941.14

OAC 901:1-6-02(A)	The housing facility shall be structurally sound and restrict the entry of other animals.	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(B)	The housing facility and primary enclosures shall be inspected daily	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(B)	and any defects shall be corrected as soon as possible.	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(C)	Each adult dog or puppy shall have access to and be housed in a primary enclosure which complies with the requirements of this rule.	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(D)	The primary enclosure shall:	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(D)(2)	(2) Notwithstanding the space requirements as set forth in paragraph (D)(1) of this rule, the primary enclosure for the largest adult dog or puppy housed in a primary enclosure shall provide two times the amount of space required in paragraph (D)(1) of this rule;	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(E)	Open metal floors in primary enclosures shall be coated with a protective coating, and such coating may include but is not limited to plastic, fiberglass, or rubber.	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(F)	Primary enclosures shall be positioned or protected in the housing facility so that dogs are not soiled by fecal matter or urine from above.	ORC 956.03(A)(7)(a)(vi)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(H)	After December 31, 2016, all primary enclosures shall comply with paragraph (D) of this rule.	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(I)	After December 31, 2016, all existing facilities must comply with paragraph (D) of this rule.	ORC 956.03(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(J)	In any event where the existing facility's license to operate as a high volume breeder as defined in (A)(1) of Sec. 956.04 of the Revised Code is not legally transferred by the Ohio department of agriculture to the existing facility's new owner, that housing facility shall meet the primary enclosure space requirements in paragraph (D) of this rule.	ORC 956.03(A)(7)(a)(i) & ORC 954.04	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(K)	Floors in outside sheltered runs or outdoor housing which are made of absorbent bedding, sand, gravel, grass, or other similar material shall be raked or cleaned at least weekly.	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(L)	Temperature, ventilation and lighting shall provide for the health and welfare of the dog by the following:	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-6-02(L)(1)	(1) If climatic or ambient temperatures pose a threat to the health and welfare of the adult dog or puppy, measures shall be taken to regulate the temperature to eliminate the threat.	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(L)(1)	The dog's age, species, breed, overall health and acclimation to the environment shall be taken into consideration;	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(L)(2)	(2) Dry bedding or other methods of conserving body heat shall be provided when temperatures are below 50° F;	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(L)(3)	(3) Ventilation shall minimize drafts, odors, dust, ammonia levels, and moisture condensation;	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(L)(4)	(4) Lighting shall be uniformly diffused throughout the housing facility and provide normal day and night variations by natural or artificial source;	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(L)(5)	and, (5) Light intensity shall be sufficient for observation and cleaning.	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(M)	Indoor housing facilities shall:	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(M)(3)	(3) Have at least one door for entry and exit that can be opened and closed, and windows to provide natural light which shall be covered with a transparent material such as glass or hard plastic;	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(M)(4)	and, (4) If equipped with doors and windows that open, they shall be screened to minimize fly infestations.	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(N)	Sheltered housing facilities shall meet the following requirements:	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(N)(1)	(1) The sheltered part of the housing facility shall be ventilated by windows, doors, vents, fans; a combination of these; or by air conditioning;	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(N)(2)	(2) The sheltered part of the housing facility shall be sufficiently heated and cooled when necessary to protect the dogs from temperature or humidity extremes to provide for their health and welfare;	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(N)(3)	and, (3) Outdoor runs shall offer protection from direct sunlight.	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(O)	Outdoor housing facilities shall. . .	ORC 956.03(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(Q)	(Q) Whelping areas shall be provided for all female adult dogs with litters and which meet the following requirements: . . .	ORC 956.03(A)(7)(a)(vii)	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-6-02(Q)(6)	(6) In addition to the minimum space requirement in paragraph (D)(1) of this rule, each female with nursing puppies shall be provided a minimum of five percent additional amount of floor space for each puppy.	ORC 956.03(7)(a)(vii)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(Q)(6)	(6) In addition to the minimum space requirement in paragraph (D)(1) of this rule, each female with nursing puppies shall be provided a minimum of five percent additional amount of floor space for each puppy.	ORC 956.03(A)(7)(a)(vii)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(Q)(6)	The attending veterinarian may require more floor space as necessary.	ORC 956.03(A)(7)(a)(vii)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(R)	Storage areas shall be designed and maintained to protect medicines, bedding or other supplies from deterioration, contamination and vermin infestations.	ORC 956.03(7)(a)(viii)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(S)	Fecal and food waste shall be removed from inside and under the primary enclosures daily.	ORC 956.03(A)(7)(a)(vi)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(T)	Hard surfaces with which the adult dogs or puppies come into contact with shall be cleaned daily and disinfected a minimum of once every two weeks with a cleaning solution safe for adult dogs or puppies.	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(U)	Housing facilities shall be equipped with disposal facilities and drainage systems that are constructed and operated so that fecal waste, urine and water are rapidly eliminated from primary enclosures and adult dogs or puppies stay dry.	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(V)	Permanent tethering of adults dogs or puppies to any object is prohibited for use as primary enclosure.	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(W)	(W) Adult dogs or puppies that are housed in the same primary enclosure shall be compatible with the following restrictions: . . .	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(W)(1)	(1) Females in heat (estrus) shall not be housed in the same primary enclosure with males, except for breeding purposes;	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(W)(2)	Any adult dog or puppy exhibiting a vicious or overly aggressive disposition shall be housed separately;	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(W)(3)	(3) The introduction of a new adult dog or puppy to an existing group of adult dogs or puppies housed together in the same facility or primary enclosure shall be done in a manner to minimize distress and aggression.	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-6-02(W)(4)	(4) Puppies 4 months of age or less may not be housed in the same primary enclosure with adult dogs other than their dams or foster dams.	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(X)	An effective program for the control of insects, external parasites affecting adult dogs or puppies, and birds and mammals that are pests shall be established and maintained in the housing facility and primary enclosures.	ORC 956.03(A)(7)(a)(v)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-02(Y)	Each housing facility shall have a contingency plan in case of emergencies, including but not limited to wind, fire, flood, or building collapse.	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-03(A)	Puppies shall have human physical contact during the first sixteen weeks of life to facilitate their social development.	ORC 956.03	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-03(B)	All adult dogs or puppies shall be provided with daily positive human contact and socialization beyond that which occurs during feeding and cleaning time.	ORC 956.03	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-03(C)	All adult dogs or puppies housed singly shall be provided daily with visual contact with other adult dogs, puppies, or humans; unless prohibited by the attending veterinarian.	ORC 956.03	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-03(C)	All adult dogs or puppies housed singly shall be provided daily with visual contact with other adult dogs, puppies, or humans; unless prohibited by the attending veterinarian.	ORC 956.03(A)(7)(a)(i)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-03(D)	All adult dogs and puppies shall be provided some form of effective enrichment daily.	ORC 956.03	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-03(E)	Adult dogs or puppies shall not be segregated for extended periods of time in a manner devoid of any visual contact with other adult dogs or puppies.	ORC 956.03	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-04(A)	Dogs shall receive food at least once daily.	ORC 956.03(A)(7)(a)(ii)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-04(B)	Dogs shall receive access to clean drinkable water on a continual basis or not less than twice daily for a minimum of one hour as breed appropriate and of sufficient quantity and quality to ensure maintenance of normal body condition and/or growth.	ORC 956.03(A)(7)(a)(ii)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-04(C)	Water bottles with ball dispensers shall not be used, except during transportation.	ORC 956.03(A)(7)(a)(ii)	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-6-04(D)	Food and water receptacles shall be kept clean and sanitary.	ORC 956.03(A)(7)(a)(ii)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-04(E)	Food provided shall be unspoiled and uncontaminated.	ORC 956.03(A)(7)(a)(ii)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-04(F)	A nutritional plan shall be developed with veterinary guidance.	ORC 956.03(A)(7)(a)(ii)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-04(G)	The appropriate number and size of food and water receptacles shall be provided to ensure access by all adult dogs and puppies in the housing facility.	ORC 956.03(A)(7)(a)(ii)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-04(H)	All food and water equipment shall be inspected on a weekly basis and maintained in working condition.	ORC 956.03(A)(7)(a)(ii)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-04(I)	Opened food shall be stored in leak proof containers with tightly fitting lids to protect them from spoilage, vermin infestation and contamination.	ORC 956.03(A)(7)(a)(ii)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-04(J)	Unopened food shall not be stored on the floor.	ORC 956.03(A)(7)(a)(ii)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-05(A)	Each high volume breeder of an adult dog or puppy shall have a valid veterinary-client-patient-relationship with a licensed veterinarian.	ORC 956.03(A)(1)	Yes, state law	Yes, state law
OAC 901:1-6-05(B)	The attending veterinarian shall: . . .	ORC 956.03(A)(1)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-05(B)(3)	(3) Provide a written annual plan requiring care for the adult dogs and puppies which shall include but is not limited to. . .	ORC 956.03(A)(1)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-05(C)	Corrective measures, under veterinary guidance, shall be taken by the high volume breeder when evidence is found of any of these conditions.	ORC 956.03(A)(1)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-05(D)	New or diseased adult dogs or puppies shall be isolated and handled to minimize distress	ORC 956.03(A)(7)(a)(v)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-05(D)	and appropriate biosecurity measures shall be taken to minimize the likelihood of spreading disease to other adult dogs or puppies.	ORC 956.03(A)(7)(a)(v)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-05(E)	All personnel shall wash their hands after handling any infected or contagious adult dog or puppy.	ORC 956.03(A)(7)(a)(v)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-05(F)	Under the direction of the attending veterinarian, an isolation area shall be provided for any female adult dog that aborts or has a still birth.	ORC 956.03(A)(7)(a)(v) & (vii)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-05(F)	Such isolation area shall prevent any contact or exposure to any other adult dogs or puppies in the kennel.	ORC 956.03(A)(7)(a)(v) & (vii)	No, general rulemaking authority	No, general rulemaking authority

OAC 901:1-6-05(G)	No adult dog or animal known to be positive for brucella canis shall be offered for sale, trade or barter; or otherwise be removed from the premises.	ORC 956.03(A)(7)(a)(v)	No, general rulemaking authority	No, general rulemaking authority
OAC 901:1-6-05(H)	Adult dogs or puppies suspected to be infected with brucella canis shall be isolated	ORC 956.03(A)(7)(a)(v)	No, general rulemaking authority	No, general rulemaking authority
