

High Volume Breeder License Application Instructions

Please follow checklist below for all documents required to complete application process. Failure to complete all requirements will result in a delay of issuing license and/or the ultimate return of your incomplete application.

Application

Please complete all lines. If it does not apply to you please type or print N/A. Physical sites, locations, and/or premises where all adult dogs and puppies are being kept, housed, and maintained by a high volume breeder, or in the possession of a high volume breeder are required to be listed. Remember to sign and date the application. Include the Background Check Disclosure form as this is a part of your application.

State of Ohio Background Check and Reimbursement Form

Prior to ODA approving your application, a state of Ohio background check (**BCI only**) must be completed and sent to ODA. You can find the WebCheck Facility that is closest to you at www.ohioattorneygeneral.gov/services/business/webcheck/webcheck-community-listing.

Once completed, please include your receipt or a copy of your receipt along with your completed application to be reimbursed for the cost of the BCI background check.
